**Note: All building permits that increase living or work space will require that existing sidewalks be brought up to A.D.A. standards or if no sidewalk exists, then one shall be constructed before a Certificate of Occupancy is issued.**

**Certificate of Occupancy**

By my signature, I hereby signify that, to the best of my knowledge, the above referenced structure is in conformance with approved plans and specifications and meets the code requirements for the group division and occupancy for which the occupancy is classified. Unless previously approved in writing, no occupancy of this structure may be made until all required inspections have been made and this form has been signed.
