The dugout is open for public visits 2.1 miles south on 12th Avenue from the entrance to Coronado Heights. Look for an opening in the tree line and a low silver iron rail fence on the east side of the road. Pull in and park. Go through opening in the iron rail fence and walk east approximately 50 feet to the dugout. There are no directional signs. Open daily, no admission. See pull-out map for directions.

PARKS & RECREATION

VÄLKOMMEN TRAIL

Using Swedish pioneer thrift and ingenuity, Lindsborg took the abandoned Missouri-Pacific and Union Pacific rail beds and converted them into a 3.25-mile, all-weather bicycle and pedestrian trail. The trail, which meanders through the city, is free for public use year round. Enjoy the sights and sounds of nature as you walk across the newly refurbished railroad bridge. See pull-out map for location.

SKATE PARK

Adjacent to the Välkommen Trail and on the 300 block of N. Kansas, the Swede Sk8 Park is open seven days a week from dawn to dusk. Swede Sk8 offers 3,456 square feet of skating including ramps, rails and fun boxes. Full pads and helmets recommended.

VIKING VALLEY PLAYGROUND

In Swensson Park, on the 400 block of N. Main, this one-of-a-kind playground was built by over 900 volunteers in four days with donated tools. Local schoolchildren were consulted and their ideas were included in the overall design of the project. Highlights of Viking Valley include a tree house, rocket ship, climbing wall and a castle.

GOLF

Enjoy one of the hidden treasures of the Smoky Valley with new and enhanced play areas of lush pushed mowed greens and established rough. The Lindsborg Golf Course is a 64 acre, 9-hole municipal course located 1½ miles east of town. It features 2,682 yards of golf from the longest tees with a par of 34. Par for 18 holes is 69 and additional tee boxes are available for the back nine. Built by Hilding Jaderborg, the course is open year round, weather permitting and walk-ons are welcome. In addition to a fully stocked club house, new club cart rentals and cart sheds are available.

1541 Svensk Rd. • 785-227-2244 • www.lindsborgcity.org

MESSIAH LABYRINTH & PEACE PARK

Following the guided path one loses track of direction and the outside world, and thus allowing for prayer, meditation and restfulness. Open to the public from dawn to dusk every day, the Messiah unicursal labyrinth is designed to aid in one's spiritual journey. Located at 402 N. First, north of the Messiah Lutheran Church on Bethany College campus.

POOL

The Lindsborg Municipal Swimming Pool's grand attraction is called, appropriately enough, "Thor's Revenge." Thunder down this 153' long waterslide or jump off the 5 and 10 meter diving boards. Other amenities include 6 lap swimming lanes and private parties can be accommodated from 8:00 to 10:00 p.m. The kiddie pool features zero depth entry, water spouts and is available for children 6 and under. Also an on-site sand volleyball court can be reserved for times beyond regular pool hours.

On August 19, 1869, the Swedish Evangelical Lutheran Bethany Church was organized under the leadership of Pastor Olof Olsson. The first services were held in "Bolagshuset," the company house of the First Swedish Agricultural Company located northwest of town at the base of Coronado Heights. A monument marks the area of the first building near the original town site. The current building was erected 1880.

Seven-time World Chess Champion Anatoly Karpov visited Lindsborg in December of 2002. He was looking for a quiet place to train for his upcoming match in New York with Grandmaster Garry Kasparov. Grandmaster Alex Onischuk had played in several international tournaments in Lindsborg, so he suggested to Karpov that it would be a good place to train. Karpov was impressed with the town and its people, so it was no surprise when he decided to establish his first U.S. chess school in Lindsborg. Karpov has established schools in 15 countries.

The Karpov Chess School hosts Social Chess Night every first and third Thursday of each month at 7:00 p.m. Beginners are welcome.
